This documentary about the history of the MGB, and to a lesser extent the history of MG as a whole, covers the development of one of the most famous sports cars in the world. The MGB was a little unusual when it was first released in 1963, unibody cars were still relatively uncommon with many manufacturers still using body-on-frame construction.

The documentary is intended to be an official account of the history of the band Eagles. The Eagles' manager Irving Azoff came up with the idea for an official history in 2011 when the Eagles would be celebrating their 40th anniversary.

History of the Eagles - Wikipedia
Now brought completely up-to-date, the new edition of this classic work on documentary films and film-making surveys the history of the genre from 1895 to the present day. With the myriad social upheavals over the past decade, documentaries have enjoyed an international renaissance; here Barnouw considers the medium in the light of an entirely new political and social climate.

Barnouw's book is a very worthy addition to critical film history, and will at the very least give even the most informed reader a quality viewing list. Anyone interested in documentary cinema, its forms, its subgenres, its bastard children, and even the question of what documentary cinema is will find this to be a valuable work.
