Religion And The Decline Of
The primary social research tool in Britain is the British Social Attitudes Survey, an annual mini-census. In 2009 'No religion' was stated by 50.7% of the UK population. Comprehensive professional research in 2006 by Tearfund found that two thirds (66% - 32.2 million people) in the UK have no connection with any religion or church, a figure which meshes perfectly with another poll in the ...

Religion in the United Kingdom: Diversity, Trends and Decline
It's a fascinating time for conversations about faith in the United States, with Pope Francis set to visit next month, a presidential election on the horizon and major trends reshaping the country's religious landscape. One of the most important and well-documented shifts taking place over the past decade is the steadily rising share of people who are religiously unaffiliated - from 16% ...

10 facts about religion in America | Pew Research Center
For years, the percentage of Americans who do not identify with any religion has been rising, a trend similar to what has been happening in much of Europe (including the United Kingdom). Despite this, in coming decades, the global share of religiously unaffiliated people is actually expected to fall, according to Pew Research Center's new study on the future of world religions.

Religious 'nones' projected to decline as share of world ...
Religion in Australia is diverse. Section 116 of the Constitution of Australia of 1901 prohibits the Commonwealth government from establishing a church or interfering with the freedom of religion. In an optional question on the 2016 Census, 52.2% of the Australian population declared some variety of Christianity. Historically the percentage was far higher; now, the religious landscape of ...

Religion in Australia - Wikipedia
Hellenistic religion is the late form of Ancient Greek religion, covering any of the various systems of beliefs and practices of the people who lived under the influence of ancient Greek culture during the Hellenistic period and the Roman Empire (c. 300 BCE to 300 CE). There was much continuity in Hellenistic religion: the Greek gods continued to be worshipped, and the same rites were ...
