A brothel or bordello is a place where people engage in sexual activity with prostitutes. Technically,
any premises where prostitution commonly takes place qualifies as a brothel. However, for legal or
cultural reasons, establishments often describe themselves as massage parlors, bars, strip clubs,
body rub parlours, studios, or by some other description.

An Islamic garden is generally an expressive estate of land that includes themes of water and
shade. Traditionally used to provide respite from a hot and arid environment, Islamic gardens also
served several other purposes. Furthermore, the region of Islam expands into a variety of other
climates, in addition to the more common hot and arid areas.

Defined narrowly, epistemology is the study of knowledge and justified belief. As the study of
knowledge, epistemology is concerned with the following questions: What are the necessary and
sufficient conditions of knowledge?

A Take Home Message. Gratitude is a human emotion that can be most simply defined as
appreciation or acknowledgment of an altruistic act. Historically, philosophers have suggested that
gratitude is one of the most important human emotions for the success of the society, and religious
and spiritual thinkers have suggested that it is a crucial aspect of religious and spiritual life. Modern ...

Preface to the Home Education Series. The educational outlook is rather misty and depressing both
at home and abroad. That science should be a staple of education, that the teaching of Latin, of
modern languages, of mathematics, must be reformed, that nature and handicrafts should be
pressed into service for the training of the eye and hand, that boys and girls must learn to write
English and ...

Moral injury requires an act of transgression that severely and abruptly contradicts an individual’s
personal or shared expectation about the rules or the code of conduct, either during the event or at
some point afterwards (see Fig. 1). The event can be an act of wrongdoing, failing to prevent serious
unethical behavior, or witnessing or learning about such an event.

Thinking About Developmental States in Africa Thandika Mkandawire. One remarkable feature of the discourse on the state and development in Africa is the disjuncture between an analytical tradition that insists on the impossibility of developmental states in Africa and a prescriptive literature that presupposes their existence.
