The Fire Children
The Fire Children: A West African Folk Tale. The first man and woman are lonely. They decide to fashion children out of clay. As they are baking the little figures in their fire, they're constantly interrupted by visits from the sky-god, Nyame. As a result, some of the children are pale and underdone, some are left in so long that they come out very dark, and the rest are every shade between.

The Fire Children by Lauren M. Roy - Goodreads
The Fire Children. The richly coloured paintings of the green foliage, the peaceful animals, the radiant children, are inspired by West African masks and pottery. The retelling of the West African tale about the creation of the world and all its different peoples is really easy to follow and captivating with a timeless message.

Saffron Tree: The Fire Children
Fifteen years have passed since Mother Sun last sent her children to walk the world. When the eclipse comes, the people retreat to the caverns beneath the Kaladim, passing the days in total darkness while the Fire Children explore their world. It's death to even look upon them, the stories say.
