Maya (/ˈmɑːjə/; Devanagari: माया, IAST: māyā), literally "illusion" or "magic", has multiple meanings in Indian philosophies depending on the context. In ancient Vedic literature, Māyā literally implies extraordinary power and wisdom. In later Vedic texts and modern literature dedicated to Indian traditions, Māyā connotes a "magic show, an illusion where things appear ...

Freedom is the 17th studio album by Canadian musician Neil Young, released on October 2, 1989. Freedom effectively relaunched Young's career after a largely unsuccessful decade. After many arguments (and a lawsuit), Young left Geffen Records in 1988 and returned to his original label, Reprise, with This Note's for You. Freedom, however, brought about a new, critical and commercially successful ...

“The illusion of freedom will continue as long as it's profitable to continue the illusion. At the point where the illusion becomes too expensive to maintain, they will just take down the scenery, they will pull back the curtains, they will move the tables and chairs out of the way and you will see the brick wall at the back of the theater.”
