The Neoliberal Revolution In Eastern
Neoliberalism or neo-liberalism is the 20th-century resurgence of 19th-century ideas associated with laissez-faire economic liberalism and free market capitalism. While it is most often associated with such ideas, the defining features of neoliberalism in both thought and practice has been the subject of substantial scholarly discourse. These ideas include economic liberalization policies ...

Something new is happening on the European right, and it involves more than xenophobic populist outbursts. Ideas are being developed, and transnational networks for disseminating them are being established. Journalists have treated as a mere vanity project Steve Bannon’s efforts to bring European populist parties and thinkers together under the umbrella of what he calls The Movement.
